WARRANTY

CANTRIO ACRYLIC PRODUCTS LIMITED LIFETIME WARRANTY

The limited lifetime warranty covers all defects in materials and manufacturing during normal residential usage for the duration that the original owner owns their home. This warranty is valid for the original owner only.

This warranty does not apply to cases in which a product was incorrectly installed, nor to damage due to negligence, improper care or cleaning, abuse, misuse, thermal shocks, cigarettes, flames, or other accidents.

Any transformation or alteration made to a CANTRIO product automatically voids the warranty.

CANTRIO will, at its election, repair, replace, or make appropriate adjustment where CANTRIO inspection discloses any such defect. The manufactures warranty is limited to repair or replacement (with a product of equal value) provided the claim is made directly to CANTRIO within the warranty period. CANTRIO is not responsible for removal, installation, labor charges, or other incidental or consequential costs. In no event shall the liability of CANTRIO exceed the purchase price of the acrylic bathtubs or shower base.

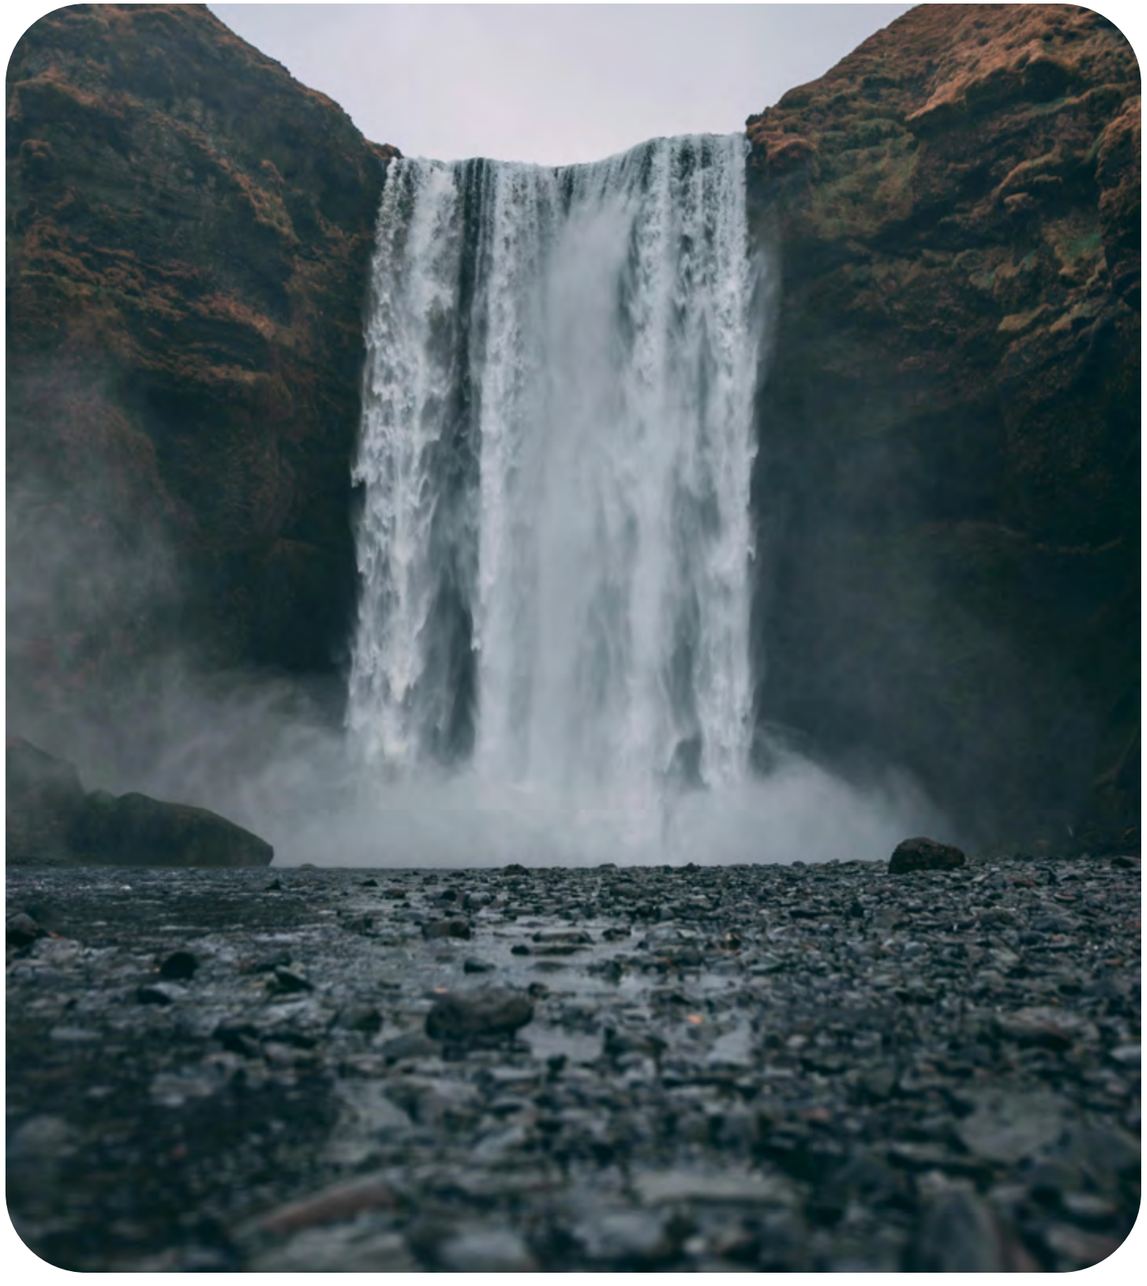
The Shower Base Collection



Geometric Balance & Intuitive Flow

INTUITIVE DESIGN SHAPED BY THE FLOW OF WATER

Like the natural basins that catch waterfalls, each surface in this collection is thoughtfully contoured to guide water with quiet precision—where movement is effortless and form serves function with subtle elegance. Rooted in a philosophy of purposeful minimalism, it embraces the rhythm of water itself: calm, intentional, and endlessly renewing. A study in equilibrium, this series distills the essence of flow into a grounded, tactile expression of contemporary bathing.
