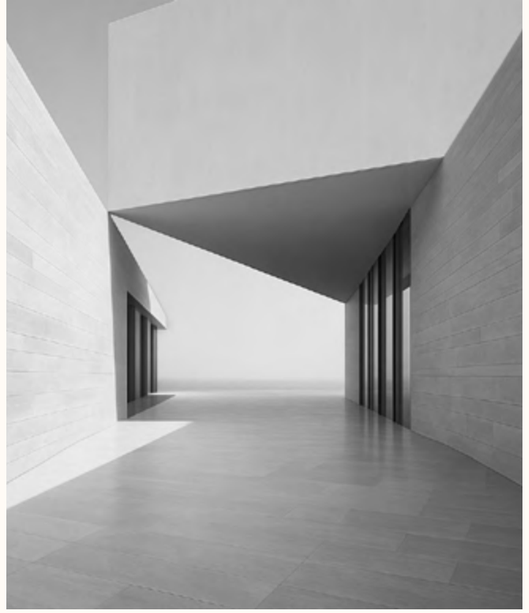
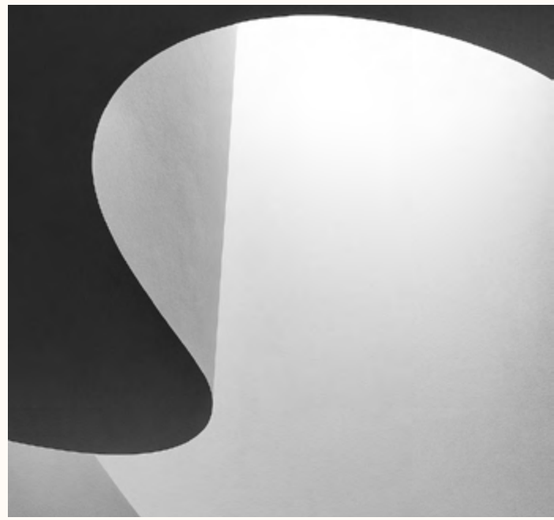
Solidtech
CANTRIO



# SOLIDTECH

*Forming beauty into fluid function*

Solidtech is the intersection of permanence and performance. Designed for spaces that demand both resilience and refined elegance. We don't follow trends, we build them - in solid form.



# WARRANTY

## CANTRIO SOLIDTECH

The warranty covers all defects in materials and manufacturing during normal residential usage for the duration that the original owner owns their home for a period of five (5) years from date of purchase. This warranty is valid for the original owner only. This warranty does not apply to cases in which a product was incorrectly installed, nor to damage due to negligence, improper care or cleaning, abuse, misuse, thermal shocks, cigarettes, flames, or other accidents.

Any transformation or alternation made to a CANTRIO product automatically voids the warranty.

CANTRIO will, at its election, repair, replace, or make appropriate adjustment where CANTRIO inspection discloses any such defect. The manufactures warranty is limited to repair or replacement (with a product of equal value) provided the claim is made directly to CANTRIO within the warranty period. CANTRIO is not responsible for removal, installation, labor charges, or other incidental or consequential costs. In no event shall the liability of CANTRIO exceed the purchase price of the Solid-Tech product.

# What is *Solidtech?*

*Advanced Composition*
*& Limitless Possibility*

## AN EXCLUSIVE MATERIAL BY CANTRIO

Solidtech is Cantrio's proprietary material—engineered for strength, adaptability, and visual refinement. Designed to support a wide range of applications, Solidtech offers a seamless, customizable surface solution that meets the demands of modern design. Its smooth, antibacterial finish, structural integrity, and resistance to wear make it an ideal choice for multi-family, hospitality. and healthcare spaces.

# FEATURES & BENEFITS

## *Seamless Durability*

Solidtech's one-piece construction ensures maximum structural strength without weak joints. This non-porous surface resists water, contaminants, scratches, and UV fading. It is also inherently resistant to microbial growth, mold, and mildew.

## *Custom Design Flexibility*

Offered in a wide range of colors, finishes, and dimensions. From countertops to cladding, every surface is fully customizable to meet the unique needs of your space and design vision.

## *Low Maintenance & Easily Repairable*

Easy to clean with standard non-abrasive cleaners. Minor imperfections such as scratches or chips can be sanded and refinished—restoring the surface without the need for replacement.

## *Safe & Sustainable Material*

Solidtech meets rigorous chemical emission standards, making it ideal for healthy indoor environments in both residential and commercial settings, and in compliance with applicable standards for low-emitting materials.

## *Antibacterial Surface*

Solidtech maintains a comfortable warmth at room temperature. Its high thermal mass retains heat effectively, making it ideal for both hot and cold water environments.

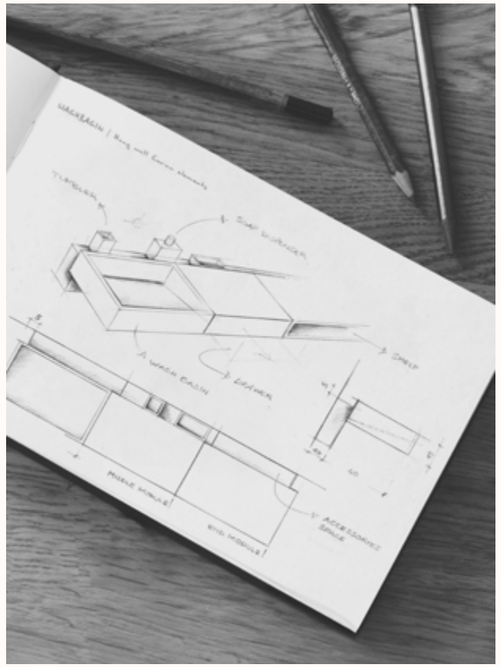
EVERY SPACE HAS
*ITS OWN STORY*

Our Made to Measure program was created for bespoke environments. Cantrio offers Solidtech in an expansive range of custom dimensions and configurations, giving designers and developers the freedom to realize their vision without compromise.

Crafted using precision molds, Solidtech imposes virtually no limits on form or scale — allowing each surface to be shaped, sized, and finished to suit the distinct needs of the project.

# THE PROCESS

Transforming your vision into reality is simple. We offer a limitless spectrum of customization options. From dimensions to bowl configurations, apron heights, finishes, and colours. Every detail is tailored to your specifications.



## *Dimensions*

Cantrio ensures your project is crafted to the exact dimensions and preferred material thickness. Share your measurements - our design experts will handle the rest.

## *Bowl Shapes*

Select from classic forms like ovals and rectangles, or create a mold and explore custom silhouettes designed exclusively for your space.

## *Design Features*

From minimalist to architectural, we accommodate every design vision. Our solutions adapt to complexity without compromise to honour every aspect of your creativity.

## *Colours & Finishes*

Choose from an expansive palette, including soft tones, bold hues, and everything in between. Each sink is made from solid-core colour material, available in matte or gloss finishes.

# BOLD COLOURS
# *Stand Out*

Our custom capabilities allow us to match virtually any hue, giving you the freedom to align every surface with your design vision.

Small Details Make A

# Big Difference

## VANITY INTEGRATIONS

### *Integrated Towel Bars*

Towels can now be positioned at the front of the vanity for easy access. This thoughtful detail delivers both convenience and a clean, streamlined aesthetic.

### *Integrated Paper Waste Bin*

Elevated for effortless cleaning, our rimless paper waste bin is designed to slide discreetly under the shelf or vanity top. It's easy to remove for emptying, making it both practical and visually unobtrusive.

### *Integrated Toilet Paper Holder*

Seamlessly built into the vanity base, our concealed toilet paper holder maintains a clutter-free appearance. It dispenses paper neatly from below while preserving the integrity of the design.

### *Hidden Drains*

Cantrio's hidden drain system places the drain beneath an elegant cover, creating a continuous surface where water flows smoothly. The result is a refined, uninterrupted appearance that enhances the overall design.
